

ANGEL DEAR®

Spring 2020

Angel Dear create classic baby clothing and accessories with a modern sensibility and attention to special details. Our collections are sophisticated without being serious. We believe baby's first months and years are a time to enjoy their childhood, and we design our products from that perspective.

Angel Dear product upholds our commitment to beautiful quality, lasting value, and affordability.

Exceptional softness is the cornerstone of the Angel Dear brand. Baby's comfort is the underlying principle behind every design. Styling is simple but far from basic, in a spirit of modern luxury. Enduring and classic, Angel Dear creations can be passed along to the next generation.

Our company's values are reflected in our ongoing commitment to using organic fibres when possible, and in using recycled paper and soy ink in our printed materials.

Whether you are choosing for your own baby or as a gift, you'll find consistent quality, sophisticated design, and the ultimate in softness at Angel Dear.

All swaddles are 120cm x 120cm and made from 70% Bamboo Viscose and 30% Cotton with optional gift boxes (see page 8).
