Welcome to Christmas 2020!

Dear All,

We hope you are all well and have weathered through the terrible damaging effects of the corona virus. Now is the time to get ready to head into the second half of the year to create a wonderful Christmas.

Christmas 2020 will be a very different year, and we want to help as much as we can to take the stress out of your Christmas buy. As there will be no shows to display our new ranges and wonderful products, we thought that rather than sending you a bunch of brochures to pick through, we would do something a little different to help take the stress out of the task.

Here is our take on a Christmas Magazine, with Top 10's from each brand, Stocking Fillers, New Christmas Decorations, and much much more.

Of course we want you to buy everything! But we thought we would put together some highlights of all the collections to give you a starting point and showcase how all our collections can come together to cover all your needs.

We hope you will enjoy looking through, and may just pick up a few merchandising ideas along the way. If you want to see the collections in depth all the brochures are on our website, call or email to be sent pricelists.

Place your orders online, through our website, using your login (contact us if you've forgotten it!), send over an email, or just old school pick up the phone, we would love to hear from you.

Wishing you all the best and deserved success for the coming season

Stay well, stay safe

With much love

Fiona

Tips to dress your table for Christmas day

- * Keep to a colour theme
- * Try to find a little something that will either, surprise, create a smile, or a conversation about where you found it.
- * Always make your table homely - Christmas is a time for family not formality
- * Christmas tables always need more space for food than usual, so try to create a statement centre piece, or a more subtle individual setting.
- * Never forget candles!

All ceramics are from the Fiona Walker HOME Collection (To see the full brochure, go to www.s-cbrands.com)

Not only do they make great table decorations and candle holders, but they are all ideal as gifts.

All products are great value ranging from £2.95 - £14.95 RRP

When picking our Top 10 we always look at our best sellers list, and our best sellers are always our safari mini heads!

We're sure you already know what they look like so we've made sure to pick a few different items that you may not have seen before because Fiona Walker England is much more than just animal heads.

Welcome to Christmas 2020!

This year Fiona has selected an ice cold 'berry' theme for the basis of her new Christmas range.

Glacial blue, mint green, cream and light grey colours have been incorporated, along with pops of red for that classic feel.

These new items sit well alongside items from last years collection.

The new collection includes hanging decorations, shelf decs, wreaths, garlands, Nativity decorations in gift bags and much more.
