The team at Egmont wanted to create a collection that was more neutral and contemporary than their usual products, and that's just what they've done! With softer colour palettes and super cute 'retro' style toys, Les Petits is definitely the must-have range for the season.

Welcome to Christmas 2021!  
This year Fiona has selected an ice cold 'berry' theme for the basis of her new Christmas range. Glacial blue, mint green, cream and light grey colours have been incorporated, along with pops of red for that classic feel. These new items sit well alongside items from last years collection.  
The new collection includes hanging decorations, shelf decs, wreaths, garlands, Nativity decorations in gift bags and much more.
