The Fiona Walker England collection enriches a room with fresh, imaginative designs that add a little fun without compromising on style. Beyond providing youthful personality to the home, Fiona Walker not only provides great products but also aims to have credibility and give the brand the correct ethos. Fiona Walker uses ethical and traditional manufacturing methods to make uniquely hand crafted products resulting in no two items being identical.

ETHOS

Having lovely products is great but we want our customers to have additional reasons to go home with one of our beautiful items. We need them to feel confident in their purchase. Its a team effort across continents that makes it work from creation to end product.

- ➔ Our products are hand-made under fair trade guidelines.
- ➔ All products are made from 100% organic wool.
- ➔ Our dying plant uses recycled water, so precious clean water is not taken away from the local community and the dye chemicals are not released into the eco system.
- ➔ Our manufacturing team has a predominantly female workforce. The ladies can be in the workshop or work from home, giving them greater flexibilty to balance their income with their family's needs.
