## The Philosophy of Snoopy

Charles Schulz was able to provoke thought and discussion around topics covering everything from the nature of friendship to the struggles of growing up in his Peanut comic strip. This timeless quality allows the strip to remain relevant and engaging for generations of readers.

In this context we produced a classic collection of plush toys featuring beloved characters from the Peanuts comic strip.

**We scored 29.1 above B Corp entry mark**

WAAAAAY above the 80-point certification average  
and most B Corp companies. The B Corp label is a certification  
companies can earn based on their social, environmental and accountability  
efforts. Prioritising not just financial gain, but the well-being  
of people and planet as well.

**1% is the least we can do**

We're proud to say that from this year,  
we are a certified 1% For The Planet Member.

1% For The Planet is a global network of companies that pledge  
to donate at least 1% of their annual sales to environment organisations.

A percentage we tripled last year! We may not be Patagonia just yet,  
but we're proud to be doing our part.
