# Our Story

Fiona Walker England is a family run company, producing handmade felt decorations for over 20 years.

From our first design; the iconic Classic Felt Robin, our collection has come a long way and now contains a rich collection of Christmas decorations, nursery décor, children's accessories and homewares. The collection is constantly evolving, with a mixture of traditional and modern designs - always of the highest quality and ethical standards.

We are proud to present our 2025 Christmas collection. Every year we strive to bring you new products of the highest quality that meet our ethical standards, whilst keeping them at a competitive price for you, our customer.

Our decorations are handmade in Nepal and India using traditional practices. The Felt is made from 100% Sheep Wool, using Azo free dyes.

Our Nepalese suppliers are FAIR TRADE CERTIFIED with an 80% female workforce, which means that the skilled artisans making our products are provided with fair wages and safe working conditions. We hope that you will love our Christmas collection as much as we do.

All prices are wholesale prices Ex. VAT UK.
